COMPANY POSITION ON THE LIVING WAGE:

We have looked at Diesel’s website, and through its code of conduct, and no information relating to the living wage or labour-standards policies was found.

WHAT WE SAY:

Diesel did not respond to our request for information, and has no relevant information available on its website. It is therefore safe to assume the worst: that it has no engagement with ethical trading at all.

IN MORE DETAIL:

Has living-wage benchmarks?
No.

Production overview:
Number of suppliers: Diesel did not disclose this information.
Main production countries listed as: Diesel did not disclose this information. Diesel does not publish a full public list of the names and addresses of its supplier factories.
